**Harford County Executive Glassman Invites County Employees to Join “No Shave November”  
Donation Drive for Veterans and Homeless**

**BEL AIR, Md.,** ( Nov. 3, 2015) - Harford County Executive Barry Glassman is inviting county employees to skip shaving during the national “No Shave November” men’s cancer awareness campaign, and taking it to the next level by collecting donations of shaving supplies and other toiletries for the homeless and local veterans. In an e-mail Monday to all employees, County Executive Glassman wrote:

“As we begin to wind down our efforts during ‘Pink October’ to raise awareness of breast cancer and other cancers that affect our families, we will be joining the national campaign of **No Shave November**.

Let’s join together to use **No Shave November** to raise awareness of prostate cancer and urge the men in our county to remember all of their cancer screenings and remember those already fighting the battle with cancer. If you feel comfortable doing so and operating conditions allow, please take the month off from shaving. We would like each department to contribute shaving supplies and associated toiletries that you would normally use during the month. We will also have a collection box in the lobby of 220 S. Main Street. At the end of the month, we will donate the items to some of our veterans’ groups which are in need and our homeless folks for use during the winter months.

Thank you so much for your efforts as we build a **Stronger and Healthier** Harford County for all our families.”
